Tropical Wings, Wickford Road, South Woodham Ferrers,
Essex CM3 5QZ or fax to: 01245 425394.
Prices valid until 31/12/2011

Health & Safety Information

General Information

It is important to wear suitable clothing for your experience, please take into consideration weather conditions as, depending on the experience you have booked, you will probably be spending most of your time outside. Sensible shoes, preferably boots, are a must for health and safety reasons and warm clothing is recommended for an enjoyable day. For any experiences booked for a child i.e. 15 years and under, an adult will be required to remain with the child and supervise them throughout the day and where admission is included in the experience price they will be required to continue to supervise whilst at our zoo.

Owing to the nature of the attraction it may be necessary to change your activities without prior notice. We will do our best to offer a similar alternative but hope you understand the welfare of our livestock must come first and we thank you for your understanding should this affect you. We regret this will not be grounds for a refund.

The Junior Keeper Experience and Close Encounters are available to book during school holidays as well as the rest of the year except during Bank Holiday weekends (weekend constituting Sat to Mon but Fri to Mon during Easter Weekend). The Adult Keeper Experience is available to book throughout the year except school holidays or Bank Holiday weekends. When filling out the booking form please provide your preferred date and two alternatives in case your first choice is not available. Payment is due at the time of booking for all activities. A full refund is only possible where cancellation is made 28 days prior to the date of your experience, cancellations after this time are subject to a £10 admin fee.

Please be aware that many of our animals are carnivores – food preparation and feeding may not be suitable for the squeamish!

Please observe our age restrictions below:

- * Close Encounters – 12 years and over

- * Adult Keeper Experience – 16 years and over

- * Junior Keeper Experience – 8 to 15 years

- * Adoptions – all ages

Health & Safety Information

Full health and safety instruction will be given on the day. For Junior Keeper Experience, Adult Keeper Experience and Close Encounters the participant is required to have an up to date tetanus vaccination. We regret that these experiences are also not available to pregnant women as a precautionary measure to protect the unborn child from potentially harmful zoonoses (diseases that can be passed from animal to human). Allergy sufferers (especially those with an airborne nut allergy) should contact us for more information before making a booking.

A reasonable level of fitness is required for these activities. However, we operate a Welcome All policy and it may be possible to offer a similar experience to those with special needs. Please contact us regarding this.
